

PIZZOS TO SPAIN

August - September 2019

Dear Praying Brethren,

As the year has passed, we have been overwhelmed by the Lord's grace and mercy in our lives. It is difficult to believe that much of the year is finished, but we are excited about being that much closer to Spain. Until then, we are privileged to witness the hand of the Lord working around us. This has been manifested in many ways but one of the most prominent examples happened while we were at a meeting in Southern Alabama. After the preaching on Sunday morning, a woman walked the aisle during the invitation. The pastor spoke with her for a few moments and then asked my wife to deal with her. Anna was then able to lead **Jessica** to a saving knowledge of Jesus Christ! Praise the Lord! After the service, we found out that the people of the church had been working with her for a while. We were encouraged to have a small part in their labors for her. Please pray that Sis. Jessica will begin to grow in her new walk with Christ.

Our meetings these past two months have brought us from Kentucky, Ohio, Alabama, Florida all up to New York. Our brief trek back to New York State consisted of a busy time of mission's conferences with a meeting sandwiched between them. Although the time was hectic, we were greatly blessed by the saints and churches that we visited.

As the Lord continues to be faithful in raising our support, we are happy to report that we are at 56%. It is a great blessing for us to be "over the hump". We are excited to be moving forward and we want to thank each of the churches who have taken us on for support.

During the last part of August, we had the privilege of attending a two-week Mission's School at Cornerstone Baptist Church in Carthage, TN. The core of the subjects covered included phonetics, language learning, culture, and the family. In addition to all the great instruction we received on these topics, throughout the school, several veteran missionaries spoke to us on a varying array of subjects and, we had the invaluable opportunity to glean from the years of experience that these men had to offer. We feel that all this information will greatly aid us in getting the gospel to the people of Barcelona and we are looking forward to putting into action the things we have learned.

Another request we have is for a lost man from Sardinia, Italy. His name is **Nino** and he, like many younger Europeans, has been turned from anything "spiritual" by all the Roman Catholic church has done. He professes to be an atheist and we are hoping that the challenge to see the Truth for himself out of the Gospel of John will be answered. Please pray for Nino that the Lord will make Himself real to him and that he will see his need for Christ.

Before I end this letter, I do have an important announcement to make. Anna is expecting our second child! Of course, we are very excited about this news and, we ask that you keep the pregnancy in your prayers. Her due date is March 1st, 2020.

Again, we want to thank each of you for your consistent prayers and support. We are humbled and refreshed by the constant outpouring of love and generosity from so many Christians around this country. Please continue to keep our family in your prayers and may the Lord richly bless you for your faithfulness to Him.

Sincerely in His Service,

Justin, Anna, and Catalina Pizzo
