

August-September 2026

Dear Praying Brethren,

We are very happy to begin this letter with some long-awaited good news: **Anamelia's residency has finally been approved!** After a year and a half of paperwork, appeals, and uncertainty, **she has now been granted full five-year residency in Spain.** We are currently working through the remaining bureaucracy to obtain her physical ID card, but the main issue has finally been resolved. We cannot thank you enough for praying with us through this process. This has been a tremendous answer to prayer, and we want to give God all the glory for it.

Many of you have also asked about Anna and her health. Thankfully, she continues to improve, though she still deals with flare-ups and must be careful not to overdo things. She is still working with a specialized physical therapist, and he has been encouraged by her progress in recent weeks. We are taking things one day at a time and are thankful for how far the Lord has brought her. Please continue praying for her full recovery and healing.

We also ask you to pray especially for Bro. Joe. He is still dealing with his health issues, and so far, the doctors have not been able to give him clear answers. The whole ordeal has been a trial for him, and he could really use your prayers.

Over the past few months, the young people in the church have made a concerted effort to attend our English services. Several church members have also gone out of their way to make that possible, and we thank them for their willingness and effort. Speaking personally, it has been a real blessing to have the opportunity to minister to them in this capacity. We have also had several new visitors attending recently, which has been another source of encouragement.

It appears that the Lord is opening some potential new doors for ministry. At this point, things are still very fluid, and there are many unknowns, so we are trying to walk carefully and seek the Lord's will rather than get ahead of Him. We are excited about some of the possibilities and hope to give more details as things become clearer. In the meantime, please pray that the Lord will give us wisdom, discernment, and clear guidance.

Some of you also reached out after seeing news reports about Moroccan immigrants crossing the border into Ceuta. We appreciate your concern, but thankfully this situation is nowhere near us and has not affected our family or ministry.

We would also like to update you all on my dad's condition. **His heart problems are under control for the time being, and his previously postponed hip replacement has now been rescheduled for the end of October.** Thank you to those who have prayed for him, and we would appreciate your prayers as he prepares for surgery and recovery.

Thank you once again for your faithful prayers and support. We are continually grateful for your partnership in the work here and for your willingness to bring our family and ministry before the Lord.

In His Service,

Justin, Anna, Catalina, Justus, & Anamelia Pizzo
